WAKE UP!

A Misfit & Outlaw Finds Enlightenment

Oahu, Hawaii (November, 2010) – With his badass, rock-and-roll look, Paul E. Hendricks is not the typical person you expect to find on the back cover of an inspirational book. Hendricks' new book, **Wake Up! The Enlightenment of an American Misfit and Outlaw**, is the story of how he got there.

Weaving autobiographical stories together with spiritual fantasy, **Wake Up! The Enlightenment of an American Misfit and Outlaw** is a visionary fiction novel with a not-so-secret purpose: to help readers face their limiting beliefs, silence their inner demons and go after their dreams—just as Hendricks did.

“I believe we are the architects of our lives,” says Hendricks, who had previously abused drugs and alcohol and used violence to cope with low self worth. “My intention in writing **Wake Up!** was to use my story to show readers the power of our thoughts and emotions, and how through forgiveness and love, anyone can transform even the most challenging of circumstances and live the extraordinary life they were meant to live.”

About Paul E. Hendricks

Paul Hendricks is an award-winning transformational speaker who helps people discover their “golden touch” and enroll into their dreams as he shares his own story of living the outlaw’s life and the spiritual quest that saved him. Along with bestselling authors Barbara DeAngelis, Mark Victor Hansen, Brendon Burchard and others, Paul co-authored the bestselling book, *How Did You Do That!* (YInspire Media, November 2009).

About *Wake Up! The Enlightenment of an American Misfit and Outlaw*

Navigating the streets of Waikiki, high on ecstasy, cocaine and booze, Paul doesn’t see the SUV heading right toward him...until it’s too late. He expects he’ll end up in the emergency room, or dead. Instead, Paul comes to in a forest, where he meets a mysterious child who takes him on the journey of a lifetime. *Wake Up!* is part memoir, part fable and part teaching story for the misfit and outlaw in all of us.
